Note

1. Service Terms & Conditions

The booking amount collected at the time-of-service request shall be considered as a visitation/inspection charge. The inspection charge shall be valid for 24 hours only from the time of visit.

If the Client confirms the installation work within 24 hours, the said amount shall be adjusted against the final installation invoice. In case the Client does not proceed with the installation within the validity period, the visitation/inspection fee shall be non-refundable.

2. Spare Parts & Cartage Charges

*In the event that spare parts are required during servicing or installation, the same shall be arranged from the local market by the Service Provider/technician. The cost of spare parts, along with applicable cartage, transportation, or handling charges, shall be borne by the Client and will be added to the final invoice. **Warranty duration** will be mentioned on the **bill or service receipt** by the **company or technician** after the work is completed.*

3. Transparency of Charges

The Service Provider assures that there are no hidden or undisclosed charges. All costs, including service charges, spare parts, cartage, taxes, or any additional fees, shall be informed to and approved by the Client prior to execution of the work.

4. Warranty Terms

The warranty period applicable to any repair, servicing, or replaced spare parts shall be specified in writing on the official invoice or service receipt issued upon completion of the work. Warranty shall be valid only as per the duration mentioned in the document and subject to standard usage conditions.

Please Note

If spare parts are needed, the Technician will source

them from the local market

Our Installation process

1. Inspection

*We will check the space
where you want to install the Appliances*
