Service Terms & Conditions

1. Inspection & Booking Charges

*The amount collected at the time of booking shall be treated as a visitation and inspection fee. This fee shall remain valid for **24 hours from the time of the technician's visit.***

*If the customer confirms the installation work within 24 hours of the visit, the inspection fee will be adjusted against the final installation invoice.
If the customer does not proceed with the installation within the validity period, the visitation and inspection fee shall be **non-refundable.***

2. Spare Parts & Transportation Charges

*If spare parts are required during servicing, repair, or installation, the technician or service provider may arrange them from the local market. The cost of spare parts, along with any applicable cartage, transportation, or handling charges, shall be borne by the customer and added to the final invoice.
The applicable warranty duration will be mentioned on the bill or service receipt issued by the company or technician after the work is completed.*

3. Transparency of Charges

*At Souneeds, we believe in transparent pricing. There are no hidden or undisclosed charges.
All applicable costs, including service charges, spare parts, transportation, taxes, and any additional fees, will be communicated to the customer and approved before the work begins.*

4. Warranty Terms & Conditions

*The warranty period applicable to repair work, servicing, or replacement parts shall be specified in writing on the official invoice or service receipt issued after completion of the work.
The warranty will remain valid for the duration mentioned in the document and will be subject to the applicable warranty terms and conditions.*

Please Note

If spare parts are required, the technician may source them from the local market. The cost of the parts and any applicable transportation or handling charges will be communicated to the customer and approved before purchase or installation.

Our Installation Process

1. Inspection

We inspect the designated space to ensure it is suitable for appliance installation.

2. Installation

Our technician installs your appliance carefully and professionally.

3. Cleanup

Once the installation is complete, we clean the immediate work area and leave it tidy.

Our Repair & Service Process

1. Inspection & Quotation

We inspect your appliance and provide a repair or service quotation for your approval.

2. Customer Approval & Expert Assistance

Repair work begins only after your approval. If you have any questions or concerns about the quotation, you can contact our support team for expert assistance.

3. Service, Repair & Spare Parts

Our technician performs the approved repair or service. If spare parts are required, their prices and any applicable additional charges will be communicated to you for approval before purchase or installation.

4. Warranty Activation

After the repair or service is completed, the applicable warranty details will be recorded on your invoice or service receipt by the technician or company. The warranty will be valid for the period specified in the document.
